

The Elder Scrolls Online is an MMORPG that seamlessly combines three massively multiplayer online games within a single world. The core gameplay consists of land instancing, which is based on the development of new content. Multiple instancing games are present as well as an instanced MMO for solo play. The game is divided into seven zones, and is expected to continue to increase in numbers in the future. Players receive items that strengthen their character by exploring dungeons and meeting other players. In addition, players are allowed to trade items with other players via the Auction House. OKU, Thailand, May 5, 2015 - ELECTRONICA.FM, your source for electronic music and support radio. Today we are excited to present the return of one of our favorite DJs, Teratorn, in ARTIST X. orn started his artistic career in June 2000 with the release of "Under the Sun" EP on Littlemore Recordings, a then underground label. Since then he has released 5 full length albums, 2 compilations, and more than 40 singles. The independent artist released his 5th album as Teratorn this past December titled "Source Code - Third", a simple electronic album with strong folk elements and inspiration from "The Burning Bringer". Teratorn, one of the pioneers in Thai EDM has been a wonderful supporter of ARTIST X for many years. We feel it is
