This technology tool only available for Microsoft Store for Windows 7 desktop theme store for Windows 10. Harvest Time for Windows 7 I've tried a lot of harvest themed win7 themes and this one is my favorite. You get so many different 3D scenes! Also, for some strange reason, you get several free wallpapers with this theme. I'm not sure which theme got those. Download link: Dan, that's funny but I think I got them from some freebie site. Hmm. I absolutely love the harvest update the theme. Especially the wool and hay looking grass. The only quibble I have with this is that the calendar goes to the right and the weather goes to the left when you have
