Four members make up the leader line of The Elden Ring, a "band of brothers" that consists of the next generation of successors. In the world of fantasy, the Elden Ring is the most powerful guild in the country of Earth. As heirs to the Holy Sword, they have the foresight to plan for the future. They are ready to face the three bosses that rise from the Deep Abyss after countless centuries, and lead the fight to the Elden Ring Grand Union. Lords of the Fallen (2015) PC Review Fallout 4 and The Witcher 3 lead the charge of this year's best RPGs. BY ANGELINA CALAPAGOS With all of the hype surrounding the release of 2016's game of the year, The Witcher 3, it would be hard to blame any of us for the misconceptions of watching the biggest games launch ever, as Elder Scrolls V: Skyrim debuted to rapturous applause, Fallout 4 did the same, and Horizon: Zero Dawn could not help but draw attention to the PC release of Sony's game of the year. But two of the biggest games released this year were older, but long-awaited role-playing games. Lords of the Fallen is the follow-up to the popular 2012 video game of the year The Witcher 2: Assassins of Kings, with the sequel being released a year earlier than before. With the extended Fall release date, Telltale Games was able to deliver a more in-depth experience than you can find in the single-player games from Bethesda. Guiding us through a story as the secondary main character of Roderick and his baron of the north, Gabriel, the story focuses on the constant struggle between demons and angels and their control of the lands between. You can play the single-player campaign, which adds in a new in-depth story and new items, or you can play as Roderick, the baron of the north. The Xbox LIVE® action RPG by NIS America, developer of the critically-acclaimed Million Dollari no Gogo Kara no Otome and Brustmade's NARUTO SHIPPUDEN: Ultimate Ninja STORM RED. Fusko Kazama, the mysterious protagonist of the game you are reading about now, has been cursed by the monsters of the "Perish Realm" and banished to the "Tarnished Realm". He has only two options: die or live. Fusko's true potential can only be realized once he is put back in the Perish Realm and faces his destiny to save the Kingdom of Elden... GAMEPLAY The game is a third-person action RPG in which players take control of the protagonist Fusko Kazama, who is cursed by the monsters of the "Perish Realm" and banished to the

"Tarnished Realm". In order to escape from this reality, which he knows will be his place of death, Fusko will be able to use the three elements of power: Sword, Staff, and Shield, while fighting against demons, gods, and monsters. Fusko will also be able to change the physical appearance of any of these tools by equipping a weapon, armor, or magic from a wide selection of over 120 items. Follow Fusko's story while taking command of the enemies as you play through multiple story arcs, culminating in the main quest. Once the main story ends, the player will be able to continue the story in a variety of ways. CLASS SYSTEM Upon being released from the "Tarnished Realm", Fusko is reborn into a different world and gets to choose from four unique classes: Sword Fighter, Staff Wizard, Shield Trooper, and Astromancer. The classes are all based on the four elements of power: Sword, Staff, Shield, and Magic. FEATURES 1. A Vast World Full of Excitement (Note: Due to technical limitations, the game is not playable in 60FPS) 2. 3D graphics with full-body movements of characters 3. 3D scrolling graphics and animations for environments 4. Cinematic battle scenes that capture the sensations of fighting in a frenzied battle 5. User-designed character design system. You can freely combine the weapons, armor, and magic that you equip 6.
