Awesomenauts is a fast-paced action game in the MOBA genre. Take control of 4 unique and incredibly hilarious Awesomenauts and compete in matches on 3 different game modes. Forming a team of 2 is recommended and recommended still when playing in 2 vs 2 matches! Discover a universe where Awesomenauts come to life! Lead the Awesomenauts through a variety of game modes: Deathmatch - battle it out with your team mates until only 1 remains! 2 vs 2 - take the role of one of two Awesomenauts. The game is still played with just the two Awesomenauts, but then they get to become any of the other characters on the roster! The winner of each round will automatically advance to the next round, but the winning Awesomenaut can also play a 1 vs 1 match to gain an additional point. Base Brawl - take the role of an Awesomenaut and use the environment to gain an advantage over your enemies. Besides the standard destruction blocks, the environment also features deployable defensive turrets and special attack tiles. Features • The Awesomenauts! 4 playable characters with unique skills and mechanics! • Battle in 3 game modes: deathmatch, base brawl, and 2 vs 2. • Customize your characters with unique skins! • Play as one of the other playable characters! • Play as 2 vs 2 team! • Play as 4 vs 4 team! • Play with bots! You can play against other humans or the AI. Or you can turn off the AI and have this game feel like a LAN party with your friends! • The BLITZ feature: an awesome feature that lets you play all your missions in a row without having to quit the game! • Share your missions over Facebook, Twitter, etc. or record it and upload it to YouTube or your home video recorder! • 100's of achievements! • A set of mission types and levels of complexity that will have you constantly challenged to improve your game and skills. • Awesomenauts Beta Access! Join the Awesomenauts beta to be the first to try out all the new features as they are being developed! Enjoy this unique MOBA / RTS / party game? Please send us any feedback at app@blitz.com. Version 1.1: • This version includes a second Announcer character that can be played the same way as the Zippy

Awesomenauts - Rockstar Announcer Crack + License Keygen [Latest]

Awesomenauts is a fast-paced, action-packed, team-based, MOBA, coming in 2017 for PS4 and Xbox One! In each game, up to five players on one team assemble a team of highly specialized Awesomenauts, each with their own unique skills and abilities. Get ready to kick butt and chew bubblegum. The Awesomenauts' Rockstar Announcer, designed in house, allows you to save the most epic and memorable moments of the game right out of the action. Instead of hearing normal dialog, the Rockstar Announcer activates a short, dynamic video with a starry background that illustrates whatever's going on with and for the heroes of the game, and that's just one of the many ways you can customize the Rockstar Announcer experience to fit your tastes.
