More great Android Games Best Scores - Best Lists - Free Games Android Games Best Scores BEST REMIX FLASH SOUNDS REMIX OF BEST SOUNDS FOR FLASH GAMES Crazyland - The best Android & iOS game Apps Android Games Description: From the creators of Angry Birds comes the original, craziest game of them all! Angry Birds Rio brings you the best swashbuckling adventure of the whole franchise. Thrilling gameplay with new bonuses and challenging game modes. If you like being on the edge of your seat, you'll love Crazyland! In Crazyland, the laws of physics are suspended. The birds use bizarre powers, like super-speed or phase-shifting to take down the world's most dangerous enemies. Can you defend your own tower from the onslaught of enemies who also have super powers? Crazyland is a 3D action-jumping and puzzles game. Amazing physics-based levels filled with crazy obstacles and a ton of hilarious powerups will have you doing somersaults for miles. Features: * 45 unique environments to battle in. * 10 amazing stages full of awesome physics-based puzzles. * Three game modes: Endless, Time Attack and Survival. * Hours of entertainment guaranteed. What's New:
