This is Hindi Dubbed Full Movie by Akshay Kumar in 500mb .Comment: "Skyfall" Review: Gadgets, Feuds, and Greatest Hits of the Bond Franchise Spoilers ahead. In Skyfall, which opens in theaters on Nov. 9, there are twice as many gadgets as there were in Skyfall (now Bond, James Bond). That's right, twice as many. From watch fobs to drones, thermal imaging to phones, there's not a single thing to be seen in theaters that isn't either a part of or somehow related to some piece of technology. This technological arsenal, however, is just the beginning. There are great lines that are said that aren't overstuffed with clichés and swipes at popular modern culture. The opening fifteen minutes of the movie are completely free of the kind of stuff that makes Bond movies clichés—hints of Islamophobia, hints of the Cold War, hints of women being treated as sex objects. It's a
