## Batch Image Resizer Crack 2.88

. A fast, friendly and versatile Image.editÂ . 157  
Ariz. 467 (1988) 759 P.2d 1023 The STATE of  
Arizona, Appellee, v. Henry Ray DeMARTINI,  
Appellant. No. 2 CA-CR 87-0348. Court of  
Appeals of Arizona, Division 2, Department B.  
June 1, 1988. Redesignated as Opinion and  
Publication Ordered July 6, 1988. Review Denied  
September 14, 1988. \*468 Robert K. Corbin,  
Atty. Gen. by Eric J. Olsson, Phoenix, for  
appellee. Raynor C. Trost, Tucson, for appellant.  
OPINION LACAGNINA, Judge. Appellant Henry  
Ray DeMartini appeals from the judgment of  
guilt and sentence imposed after he was  
convicted by a jury of robbery, a class 3  
dangerous felony, A.R.S. §§ 13-1901, -1902,  
-1903, and possession of a deadly weapon  
during commission of a felony, A.R.S. §§  
13-3102, -3113. Appellant does not challenge  
the sufficiency of the evidence to support the  
convictions. He does contend, however, that the  
prosecutor erred in eliciting allegedly prejudicial  
testimony from a witness concerning the  
defendant's prior convictions. Also, it is asserted

---

that the trial court erred in denying appellant's motion for mistrial. In the course of the trial, appellant's former girlfriend, Nellie Roggeman, testified on direct examination that she had known appellant for approximately two years prior to the robbery in question. On cross-examination, she admitted having committed the crime of burglary in the first degree in 1971, and having been convicted of the crime of armed robbery in 1974. In response to a question from the state, she denied her involvement in those crimes, except for the burglary of which she was convicted, and the armed robbery of which she was convicted was an incident where she was hired to do so. On redirect examination, the prosecutor asked her about her husband's prior conviction for a dishonesty offense in 1969. Appellant objected to this line of questioning and the trial court immediately sustained the objection. Then, the following exchange took place: Q. Would you say something to the jury? A. No, sir. Q. There's been no mention of those 6d1f23a050
