Privacy Policy As noted in our Terms of Use Agreement, this Web site is owned and operated by NCHD (NCHD, Info) and this Privacy Policy describes our treatment of personally identifiable information. This Privacy Policy does not apply to any information collected by companies that are not affiliated with us. We are the sole publisher of this Web site and our company website address is ABOUT NCHD INC. NCHD (NCHD, Info) is a leading provider of information technology (IT) services to the commercial healthcare, long-term care, and government healthcare industries. We design, support, and maintain technical and business-related solutions to enhance the productivity and profitability of our clients. Our client base consists of over 30,000 clients, including hospitals and long-term care facilities, as well as federal and state government agencies. In addition to operating our website, we provide IT services. We are organized as a registered domestic corporation in the State of Delaware. Our principal place of business is located at NCHD, Info, LLC, 7701 Valley Crest Drive, Cary, North Carolina, 27519. How to buy or sell items on our website Any time you order an item from us through our Web site, you will be taken to the payment page. Your payment data is securely transmitted to our payment processor. Any time you buy or sell an item on our Web site, you will be taken to the shipping page. Your shipping data is securely transmitted to our shipping provider (SHIPWARE). In most cases, your order will be shipped within three business days (i.e., three business days after we receive it from our shipping provider). Please note that in cases where your order requires considerable time to be shipped, we will contact you at the number that you supplied with the order, so that you are sure that your package has been received. What personal information we collect If you create an account on our Web site, you will be asked to enter your account information, including your name, e-mail address, postal address, username, and password. Information about you and your account will be securely stored on our secure servers (see below). You can provide us with information about you (e.g., your name, address, e-mail address, telephone number, username, password, other account information, or business affiliation) by filling in a form. We may also ask you
