... .com/stories/2946661-elcomsoft-advanced-zip-password-recovery-azpr-40024-2021 / When creating an account on any site where you need to authenticate or access any content, you are often required to enter a password. The problem is that passwords are used very often on sites, and most people don't care that they are unique. To solve this problem, programs have been created that remember the passwords saved in your browser and allow you to restore them if necessary.
