

SANTA CLARA, Calif., Jan. 31, 2020 /PRNewswire/ -- Sequent today announced the hire of Jason Appel, a seasoned payments industry executive whose expertise includes deep insight into the evolving payments landscape, leading a talented team, and driving business development and impact. Prior to joining Sequent, Jason was Executive Vice President of Technology and Services at BitPay, a leading, multi-billion-dollar payment platform, where he successfully created and led a team of innovators, leading the charge towards the next generation of digital currency payments, including Lightning Network Payments. Most recently, he was also Chief Financial Officer at Bitfinex, the global, market-leading exchange. Before Bitfinex, Jason founded and ran Kush Industries, an early-stage payment company with vision for the future of payments. Jason has extensive experience in the payments industry, which includes 15 years of consulting and executive leadership. Jason has received multiple awards for his work, and has been listed in the top 10 most influential people in Bitcoin by CB Insights. About SequentSequent brings cards to mobile and makes them useful for consumers. Sequent Platform enables banks, transit agencies, and access control providers to securely tokenize and digitally distribute their credit, debit, transit, loyalty, or ID cards, to their own application and many other mobile wallet providers. Sequent APIs empower app developers to add tokenized card data to their apps on mobile, wearables, and other connected devices enabling consumers to make payments, redeem offers, open doors, and ride transit systems.
