In Drumkit from Hell Pt. 5, you'll find inspiring beats and grooves for modern songwriting. This pack has 808s and samples of living drums, symphonic metallic sounds and everything in between. Modern, fresh and thoughtful sounds for the modern songwriter. You'll find the perfect drums for producing drum-pop, garage rock, pop, hip-hop, R&B, and more. All sounds have been expertly tweaked, compressed and mastered, so you'll get the most out of every note. Plus, there are any number of cool sound effects that you can twist and mutate into some amazing drum sounds. All the samples are complemented by the widely used drum sequencer, Savant Snare, for rapid and easy drum creation. Play drums using the samples, or edit them to fit your own ideas. Then, loop the drums you create, and convert them to MIDI with loads of options for editing the drum parts, such as tempo, portamento, cut up, or rolling. And with the included Audacity DAW, you can edit, chop and layer any sound that you create.
