# Iomega Zip 100 Drivers For Macintosh

November 14, 2019 - Cleaned up and purchased some Zip100 drives. I can't see the Iomega zip100 drive on my Mac. Any idea where updated software should resolve my mac. I know the Iomega Zip100 still works, but I can't find it on my Mac. Any ideas where can I find this? Can't find it on my Mac. Thanks for your reply! - Susan, Tulsa - 1. Software update may not be required if the software provided with the disc is good enough. - Answer from Iomega - 2. If you are not sure what you have done, do not press the disk. - Answer from Apple - 3. Click on the icon to search and select "Programs".
