## Ultra Fire Fire Bomber Best Album Zip

fire bro makes his mario party debut in mario party 9 , appearing as a co-host of the battle minigames. whenever a player lands on a battle space, either fire bro or hammer bro show up, although fire bro appears less frequently. when fire bro does show up, he makes the players play a free-for-all minigame, of either the captain or the player in last place's choice. afterward, he takes ten mini stars from the player who finished in last place and distributes them amongst the other players based upon their ranks. if the loser does not have ten mini stars, fire bro provides the rest. additionally, if everybody ends up in first place or last place, fire bro does not give or take any mini stars from any players. the fire bros. make their final appearance in mario party 10 , appearing as support characters in the battle minigames. when they are thrown, fire bro and hammer bro bounce backwards, leaving the player who struck them to attack them after the bounce. in this game, however, fire bros. do not automatically go after the loser of the battle; instead, fire bro and hammer bro can be used to attack a player who finished in last place in their round. in mario party 10 , fire bros. can be found fighting alongside hammer bros.. as they do in mario party 9 , they are on the battle board with hammer bros., though there are no differences in their moveset. fire bros. can be thrown at any time during a round, but hammer bros. have an extended throw animation, making it more likely that they will be thrown. have a stronger throw than hammer bros., making it harder to block their throw. unlike hammer bros., however, fire bros. are not thrown on ground level, making it easier to avoid them and use the ground to defend against them. 5ec8ef588b
