Free HTML5 Game UFO: Campaign Episodes 1&2 When are you going to release the Splody for pc? The Game is for PC, Mac, and mobile so in theory we should be getting the PC version at some point in the future. What could possibly be holding up that release? As the name suggests, this game will place you in the role of a space pirate. However, in this case, not of the traditional sort; instead, you are in the role of a plushie space pirate! In game you will be able to purchase armor and other goods, and you'll be able to go on missions and explore various planets in the game. Space Pirates: My Big Fat Splody! is an awesome space-themed game and you should check it out! [ Read More... ] It's time to raid that TARDIS and steal some eggs, time travelers! Time to go back in time and get the relics. Who wants eggs? This game is awesome! The game came out in 2018, so you have no excuse! In the present, the world is being invaded by wyverns and dragons. You are a space pirate, with a secret mission. You can make your "Splody" a customized character by purchasing armor, decorations, and other items in the in-game shop. Once you complete the missions set before you, you will be able to go back in time. You will have to raid the TARDIS, find the seven relics, and return them to the timeline. This game is really good and I am hoping that they release an official Splody: The Adventures Of My Big Fat Splody Princess. The game came out in 2018, so you have no excuse! In the present, the world is being invaded by wyverns and dragons. You are a space pirate, with a secret mission. You can make your "Splody" a customized character by purchasing armor, decorations, and other items in the in-game shop.
