I have been able to only get one working. There are many and I have tried some. .. After some research, they just don't work. They're not very user friendly. And many don't function at all. They feel it's too expensive. And they say you should consider installing a server or hack. But most of them require a hack. And hacks work differently and the same way. I also have hacked and scanned for hackers. I don't like hacks. They just don't work for me. .. You're hacking my servers. . Do you have all the slays? The best raid server If you can, join our raid server, we have lots of slays (7 or 8 slay). .. I know I've been hacked. You're hacking my servers . Have you implemented the idea? I also have joined a server where you can find me. I am not the best player in the server but I have the 4 slays at the top of the team. I can't hack my server in your need, I already asked to the administrators. . I'm sorry. You're hacking my servers . Wait a minute. . I can't Hack your server . I'm the owner of the server. . They know I'm a hacker. . I want to stop hacking. You're hacking my servers . Hello. . It's not happening! You're hacking my servers . You don't say?! . It's illegal! . I will report you. You're hacking my servers . Get out. . I am a hacker, but I respect all players who do not hack. . I'm not playing and you are hacking my server! . I'm not a hacker but please stop. You're hacking my servers . I've always respected you. . I don't want to hurt you. . I am a hacker, I don't need your server. . Are you hacking my server for that?! You're hacking my servers . Are you serious?! You
