She has written an app, "The Art of Zen," that retraces the steps she followed for a major gallery installation. The app is in the Android Market and free of charge, but is only available for Android phones, not tablets. Ms. Mergulhao said she hoped the app would help others. The Art of Zen (with Gingerbread v1.0) - Android Market "By using this app, readers can easily trace the steps I used in the gallery installation, "The Art of Zen," Ms. Mergulhao said. "It's really useful if you're an artist or a curator." Download the source code to. User reviews of The Art of Zen | The Zen of Illustration Wonderful app with a great variety of brushes and features for drawing. Thanks to the developer for the effort!. I wish I knew how to navigate the app the way you do. Maintaining a vision, an idea, and an intention is not always easy, and it is more difficult when someone else is involved. What happens next was determined by the crowd. But the way the system works reveals so much about the ways we see the world: why it is that the lines of Mr. Kunst, and of Mr. Miller (and of all artists, of. with an eye on the way I draw. of how I
